

Unsomnia

Hawkwind

Oh no, heebie jeebies
Black thoughts, all seems so real
Oh no, heebie jeebies
Black thoughts, dreaming of sleep
Dreaming of sleep

Screaming abdabs, howling fantods
Screaming abdabs, howling fantods

Oh no, heebie jeebies
Black thoughts, dreaming of sleep
Dreaming of sleep

Screaming abdabs, howling fantods
Screaming abdabs, howling fantods

Unsomnia, skunk apnia

The fish to the sky and the birds to the sea
The fish to the sky and the birds to the sea
The stars to the ocean and the dogs to the trees
The fish to the sky and the birds to the sea

Screaming abdabs, howling fantods
Screaming abdabs, howling fantods
Screaming abdabs, howling fantods
Screaming abdabs, howling fantods

Unsomnia, skunk apnia

There's a tap on my shoulder
I've been waiting for this for years
There's a tap on my shoulder
I've been waiting for this for years
There's a tap on my shoulder
I've been waiting for this for years
There's a tap on my shoulder
I've been waiting for this for years

Oh no, they're coming to get me
Oh no, they're coming to get me
Oh no, they're coming to get me
Oh no, they're coming to get me

The fish to the sky and the birds to the sea
The fish to the sky and the birds to the sea
The stars to the ocean and the dogs to the trees

The fish to the sky and the birds to the sea

The fish to the sky and the birds to the sea
The stars to the ocean and the dogs to the trees
The fish to the sky and the birds to the sea
The fish to the sky and the birds to the sea
The fish to the sky and the birds to the sea
The stars to the ocean and the dogs to the trees
The fish to the sky and the birds to the sea

There's a tap on my shoulder
I've been waiting for this for years
There's a tap on my shoulder
I've been waiting for this for years
