

# You Shouldn't Do That

Hawkwind

You shouldn't do that, should do that  
You shouldn't do that, should do that  
You shouldn't do that, should do that  
You shouldn't do that, should do that

You shouldn't do that, should do that  
You shouldn't do that, should do that  
You shouldn't do that, should do that  
You shouldn't do that, should do that

You shouldn't do that, should do that  
You shouldn't do that, should do that  
You shouldn't do that, should do that  
You shouldn't do that, should do that  
You shouldn't do that, should do that  
You shouldn't do that, should do that

You try so hard to get somewhere  
They put you down and cut your hair  
They're saying you're no good, they just don't care  
You're trying to fly

You get nowhere, you get nowhere  
You get nowhere, you get no air  
You get no air, you get no air  
You're getting aware, you're getting aware  
You're getting aware, you get nowhere  
You get no air, you're getting aware

You shouldn't do that, should do that  
You shouldn't do that, should do that  
You shouldn't do that, should do that  
You shouldn't do that, should do that

You shouldn't do that, should do that  
You shouldn't do that, should do that  
You shouldn't do that, should do that  
You shouldn't do that, should do that  
You shouldn't do that, should do that

You want so hard to get somewhere  
With trees and flowers growing there  
If you can't make it you're going spare  
You're trying to fly, you get nowhere  
You get nowhere, you get nowhere

You get no air, you get no air  
You get no air, you're getting aware  
You're getting aware, you're getting aware  
You get nowhere, you get no air  
You're getting aware
