

Put Me Back Together

Hawthorne Heights

Why did you take apart my life?
Why am I frozen in time?

Nothing left to me but mistakes
Not sure why I even try
Ready to do whatever it takes
But I'm broken by design

Pick me up, put me back together
Oh-Ohhh-Oh Oh-Ohhh-Oh
Stitch me up, make me feel better
Oh-Ohhh-Oh Oh-Ohhh-Oh
I'm just a robot with no control and no emotion
A ticking time-bomb waiting to explode
Pick me up, put me back together
Oh-Oh-Ohhh Oh-Oh-Ohhh Oh-Oh

Why did you rip me all to shreds?
Why did you leave me here for dead?

Nothing left to me but mistakes
Not sure why I even try
Ready to do whatever it takes
But I'm broken by design

Pick me up, put me back together
Oh-Ohhh-Oh Oh-Ohhh-Oh
Stitch me up, make me feel better
Oh-Ohhh-Oh Oh-Ohhh-Oh
I'm just a robot with no control and no emotion
A ticking time-bomb waiting to explode
Pick me up, put me back together
Oh-Oh-Ohhh Oh-Oh-Ohhh Oh-Oh

And I've been waiting for so long
(And I've been waiting for so long)
And this life's so full of color
(And I've been waiting for so long)
When it feels its getting close
(I've been waiting here so long)
Then this world just pulls me under

Pick me up, put me back together
Oh-Ohhh-Oh Oh-Ohhh-Oh
Stitch me up, make me feel better
Oh-Ohhh-Oh Oh-Ohhh-Oh
I'm just a robot with no control and no emotion
A ticking time-bomb waiting to explode
Pick me up, put me back together
Oh-Oh-Ohhh Oh-Oh-Ohhh Oh-Oh
