Fade

Hayden James

Drive without the lights, you're outta sight
No, I can't seem to
Lose the thought of you, of you and I

The sun sets on your face, it haunts me
Couldn't take a breath if I wanted to speak
Fade away like I always do again

You are all I see when it's cold and dark
But you don't know that
Build another bridge and started to walk

The sun sets on your face, it haunts me
Couldn't take a breath if I wanted to speak
Fade away like I always do again

Just keep fightin', this feels right, I'm
I don't wanna
Just keep fightin', this feels right, I'm
I don't wanna
Just keep fightin', this feels right, I'm
I don't wanna
Just keep fightin', this feels right, I'm
I don't wanna

Drive without the lights, you're outta sight
No, I can't seem to
Lose the thought of you, of you and I

The sun sets on your face, it haunts me
Couldn't take a breath if I wanted to speak
Fade away like I always do again

Just keep fightin', this feels right, I'm
I don't wanna
Just keep fightin', this feels right, I'm
I don't wanna
Just keep fightin', this feels right, I'm
I don't wanna
Just keep fightin', this feels right, I'm
I don't wanna

The sun sets on your face, it haunts me (I don't wanna)
Couldn't take a breath if I wanted to speak (I don't wanna)
Fade away like I always do again (I don't wanna)

Just keep fightin', this feels right, I'm
I don't wanna
Just keep fightin', this feels right, I'm
I don't wanna
Just keep fightin', this feels right, I'm
I don't wanna
Just keep fightin', this feels right, I'm
I don't wanna

You and I, outta sight, you and I
You and I, outta sight, you and I

You and I, outta sight, you and I
You and I, outta sight, you and I
