Hayden James

I like it
So tell me what you're needin'
Yeah, I'll go find it
There's nothin' that I'm feelin'

'Cause you said that you'd be there
When I needed you now
Yeah, you said that you're leavin'
When I needed you now

Keep your head above the water
Keep your head above the water

I'm blinded
Lookin' at the pieces
Caught behind it
You're the only reason

'Cause you said that you'd be there
When I needed you now
Yeah, you said that you're leavin'
When I needed you now

Keep your head above the water
Keep your head above the water

Keep your head above the water

I like it
So tell me what you're needin'
Yeah, I'll go find it
There's nothin' that I'm feelin'

'Cause you said that you'd be there
When I needed you now
Yeah, you said that you're leavin'
When I needed you now

Keep your head above the water

All I want is for us to have a meanin'
All I want is for us to be breathin'
All I want is for us to have a meanin'
All I want is for us to be breathin'

Keep your head above the water
Keep your head above the water

'Cause you said that you'd be there
When I needed you now
Yeah, you said that you're leavin'
When I needed you now
Keep your head above the water
All I want is for us to have a meanin'
Keep your head above the water
All I want is for us to be breathin'
Keep your head above the water

All I want is for us to have a meanin'
Keep your head above the water
All I want is for us to be breathin'

Keep your head above the water
Keep your head above the water
