

# Lifted

Hayden James

(You know I feel up)  
(You know I feel up)

Tell me if we're goin' down  
(You know I feel up)  
Tell me if we're goin' down  
(You know I feel up)  
Lifted my feet off the ground  
(You know I feel up)  
Tell me if we're goin' down  
(You know I feel up)  
Lifted my feet off the ground  
(You know I feel up)  
Tell me if we're goin' down  
(You know I feel up)

Tell me if we're goin' down  
(You know I feel up)  
Tell me if we're goin' down  
(You know I feel up)  
Lifted my feet off the ground  
(You know I feel up)  
Tell me if we're goin' down  
(You know I feel up)

Never let me touch the ground  
Never let me touch the ground  
Never let me touch the ground  
Never let me touch the ground

Tell me if we're goin' down  
(You know I feel up)  
Tell me if we're goin' down  
(You know I feel up)  
Lifted my feet off the ground  
(You know I feel up)  
Tell me if we're goin' down  
(You know I feel up)

Lifted my feet off the ground  
(You know I feel up)  
Tell me if we're goin' down  
(You know I feel up)
