Never Mind

Hayden James

Wait inside if you need me
I'll be right there when you count to three
Wait inside its not safe out there
Too much to discuss for your little ears

Wait inside you'll be fine
Just lay your head to rest and never mind
Wait inside you'll be fine
Just lay your head to rest and never mind

So I slept for several hours or two
Not a word from my mom or dad came through
Just a man on the other side of the window
Don't know why he didn't have any good news
Just a face that made us all go cry in separate rooms

Wait inside if you need me
I'll be right there when you count to three
Wait inside its not safe out there
Too much to discuss for your little ears

Wait inside you'll be fine
Just lay your head to rest and never mind
The noise you hear outside, pretend its in your mind
Go turn off all the lights
Sing along with the silent choir

Never Mind
Never Mind
Never Mind
Never Mind
Never Mind
Never Mind
Never Mind
Never Mind
Never Mind
Never Mind
Never Mind
