

# Something About You

Hayden James

There's something about you, there's something about you  
There's something about you, there's something about you  
There's something about you, there's something about you  
There's something about you, there's something about you (uhh)  
There's something about you, there's something about you  
There's something about you, there's something about you  
There's something about you, there's something about you  
There's something about you, there's something about you (uhh)

What about a hit?  
What about a hit of your love  
Start to shake  
Start to shake with your hand  
What of a click?  
What of a click, are you a freak?  
You turn and face me  
Maybe this time I'll choose

What about a hit?  
What about a hit of your love  
Start to shake  
Start to shake with your hand  
What of a click?  
What of a click, are you a freak?  
You turn and face me  
Maybe this time I'll choose

(Ooh) What about a hit of your love (ooh)  
Start to shake with your hand (ooh)  
What of a click, are you a freak? (ooh)  
Maybe this time I'll choose (ooh)  
What about a hit of your love (ooh)  
Start to shake with your hand (ooh)  
What of a click, are you a freak? (ooh)  
You turn and face me  
Maybe this time I'll choose

Uhh, closer  
Closer  
Uhh, closer  
You turn and face me  
Maybe this time I choose

Uhh, closer  
Uhh, closer  
You turn and face me  
Maybe this time I choose

(Ooh) Uhh, closer  
(Ooh, closer)  
(Ooh) Uhh, closer  
You turn and face me  
Maybe this time I choose

There's something about you, there's something about you  
There's something about you, there's something about you  
There's something about you, there's something about you

There's something about you, there's something about you  
There's something about you, there's something about you  
There's something about you, there's something about you  
There's something about you, there's something about you  
There's something about you, there's something about you
