

Barely Friends

Hayden

Just because it went down that way And we're barely friends Whe
n I saw you last week at the dance I should have took you by su
rprise And told you how beautiful the sky Looked with you in fr
ont of it that night I should have lied

I should have took you by the hand And told you that I was no m
an Those weeks that you walked on my land In all my reasons the
re were none Truthful that night I said run

And the truth is you just weren't the one You weren't the one Y
ou weren't the one

Just because it went down that way And we're barely friends Whe
n I saw you last week at the dance I had no chance
