

## Dilapidated Heart

Hayden

I left you with so much sorrow. You just faded and wore down. I  
gave up on a tomorrow, And then left you so unsound.

But giving up completely Is not the way to treat me. Dilapidate  
d heart, Why won't you take part? Why?

I've left you alone for so long. All that's there is webs and d  
ust. You know I would never steer you wrong, If I thought this  
was only lust.

She came out of nowhere, Took away all of my air, And made me r  
ealize, That both you and I died, The last time we tried, To le  
t someone inside.

Dilapidated heart, why won't you take part? Why?
