

That's The Way Love Goes

Hayes Carll

I've been throwing horseshoes
Over my left shoulder
I've spent most all my life
Searching for that four-leafed clover

Yet you ran with me
Chasing my rainbows
Honey, I love you, too
And that's the way love goes

That's the way love goes, babe
That's the music God made
For all the world to sing
It's never old, it grows

Losing makes me sorry
You say, "honey, now, don't worry"
Honey, I love you, too
And that's the way love goes

Yet you ran with me
Chasing my rainbows
Honey, I love you, too
And that's the way love goes

That's the way love goes, babe
That's the music god made
For all the world to sing
It's never old, it grows

Losing makes me sorry
You say, "honey, don't worry"
Honey, I love you, too
And that's the way love goes
Honey, I love you, too
And that's the way love goes
