

Christmas Morning

Hayley Westenra

Colored lights upon the tree
Rocking horse and snow fairy
Gathered round the fire at night
Carols sung by candlelight

Watch the snowflakes touch the ground
Falling softly on the town
Frosted windows in the morn
Woolly jumpers newly worn

Friends and family pass around
Presents brought from out of town
Listen to the joyful sounds of morning

Trinkets hang upon the tree
Candy canes so sugary
Waiting for the house to wake at dawning

Tinsel hung from wall to wall
Mistletoe upon the door
Mugs of cocoa steaming hot
Eggnog ladled from the pot

Friends and family pass around
Presents brought from out of town
Listen to the joyful sounds of morning

Trinkets hang upon the tree
Candy canes so sugary
Waiting for the house to wake at dawning

Friends and family pass around
Presents brought from out of town
Listen to the joyful sounds of morning

Trinkets hang upon the tree
Candy canes so sugary
Waiting for the house to wake at dawning
