

Songbird

Hayley Westenra

For you There'll be no more cryin' For you The sun will be shin
in'

And I feel that when I'm with you It's all right I know it's ri
ght

To you I'll give the world To you I'll never be cold

Cause I feel that when I'm with you It's alright I know it's ri
ght

And the songbirds are singing Like they know the score And I lo
ve you I love you I love you Like never before

And I wish you all the love in the world But most of all I wish
it from myself

And the songbirds keep singing Like they know the score And I l
ove you I love you I love you Like never before

And the songbirds keep singing Like they know the score And I l
ove you I love you I love you Like never before And I love you
I love you I love you Like never before
