

Brotherly Hate

Hayley Williams

Brotherly love, brotherly hate
Don't it sometimes feel like the same thing?
Ah, ah-ah-ah-ah, ah, ah
However you bend, however you sway
Furious roots just won't give way
Ah, ah-ah-ah-ah, ah, ah

I've been laid out on your limbs
Carve my name into every one of them (Na)
Please don't fall, please don't break
Please stay strong for all of our sakes
Uh-uh
Are you Siamese twins?
Are you headed two ways?
Just asking for a friend
You could make each other small, or make each other great
If you think that you could give more than you could take
Uh-uh

Nick your hand
Or spit into it
Shake hands
That's how you do it

Brotherly love, brotherly hate
Don't it sometimes feel like the same thing?
Ah, ah-ah-ah-ah, ah, ah
However you bend, however you sway
Furious roots just won't give way
Ah, ah-ah-ah-ah, ah, ah

Blood oath, baby, took a vow unspoken
Not on speaking terms, now you could pick up the phone
Or could pull up to his house
You can find out you're alone if you keep fucking around

You say that that's your brother, you'll always come around
You'll always have each other
Not if you never pick up where you left off
I love him like a brother, I love him like I'm dumb, let's
Pull your shit together, motherfucker, sick of missing ya
Uh-uh-ah

Brotherly love, brotherly hate
Don't it sometimes feel like the same thing?
Ah, ah-ah-ah-ah, ah, ah
However you bend, however you sway
Furious roots just won't give way
Ah, ah-ah-ah-ah, ah, ah

Nick your hand
Or spit into it
Shake hands
That's how you do it
Nick your hand
Or spit into it
Shake hands

That's how you do it
(That's how you do it)
Uh-uh
