

Cinnamon

Hayley Williams

Ah, ooh
Ooh, ah, ah, ah, ah
Ah, ooh
Ooh, ah, ah, ah, ah, ah

On the walls of my home
There are signs that I'm alone
I keep on every light
Talk to my dog, he don't mind

Ah, ooh
Ooh, ah, ah, ah, ah, ah
Ah, ooh
Ooh, ah, ah, ah, ah, ah

Eat my breakfast in the nude
Lemon water, living room
Home is where I'm feminine
Smells like citrus and cinnamon

Ah, ooh (Cinnamon, cinnamon)
Ooh, ah, ah, ah, ah, ah
Ah, ooh (Cinnamon, cinnamon)
Ooh, ah, ah, ah, ah, ah

Ah, ooh (Cinnamon, cinnamon)
Ooh, ah, ah, ah, ah, ah
Ah, ooh (Cinnamon, cinnamon)
Ooh, ah, ah, ah, ah, ah

I'm not lonely
I am free
But if I let you in
You would never wanna leave
(If I let you in)
If ever I let you in
Cinnamon

I'm not lonely, babe, I am free
Finally
I'm not lonely, babe, I am free

Ah, ooh (Cinnamon, cinnamon)
(I'm not lonely, babe)
Ooh, ah, ah, ah, ah, ah
Ah, ooh (Cinnamon, cinnamon)
(I'm not lonely, babe)
Ooh, ah, ah, ah, ah, ah

If I let you in, cinnamon
If I let you in, cinnamon
Ooh, ah, ah, ah, ah, ah
