

Barbaric bliss, teeth gnash when we kiss
No wound to lick, 'cause the hurt is hidden
Don't you miss when I used to smile?
Blood on my lips, you start to cry
Barbaric bliss, the hurt is hidden

You and me, baby, ain't nothing but mammals
So let's do it like they do on the Discovery Channel
You and me, baby, ain't nothing but mammals
So let's do it like they do on the Discovery Channel

Twenty something years ago we started
Playing a little game and now we're all
Gonna sit down and we're gonna finish it, and guess what?
Your turn, the hurt is hidden

You and me, baby, ain't nothing but mammals
So let's do it like they do on the Discovery Channel
You and me, baby, ain't nothing but mammals
So let's do it like they do on the Discovery Channel

I can't heal, you keep ripping me open
I can't feel, you keep ripping me open
You said we shouldn't even be here (I can't heal, you keep ripping me open)
Unless we know we're gonna make it
You said we shouldn't even be here (I can't feel, you keep ripping me open)
Unless we know we're gonna make it

You and me, baby, ain't nothing but mammals
So let's do it like they do on the Discovery Channel
You and me, baby, ain't nothing but mammals
So let's do it like they do on the Discovery Channel
You and me, baby, ain't nothing but mammals (I can't heal, you keep ripping me open)
