

# Ego Death At A Bachelorette Party

Hayley Williams

I'll be the biggest star at this racist country singer's bar  
No use shootin' for the moon, no use chasing waterfalls  
I'm the biggest star at this racist country singer's bar  
No use shootin' for the moon, no use chasing waterfalls

Can only go up from here  
Can only go up from here  
Can only go up from here  
Can only go up, can only go up  
Can only go up from here  
Can only go up from here  
Can only go up from here  
Can only go up, can only go up

I'll be the biggest star at this bachelorette party bar  
No use shootin' for the moon, no use chasing waterfalls  
I'm the biggest star at this bachelorette party bar  
No use shootin' for the moon, no use chasing waterfalls

Can only go up from here  
Can only go up from here  
Can only go up from here  
Can only go up, can only go up  
Can only go up from here  
Can only go up from here  
Can only go up from here  
Can only go up, can only go up

Ah-ah  
Mm-mm

Got too big for my britches  
Too big for my fishes  
The sea got shallower every day  
I danced, I said my prayers, it never rained  
And I just want to be in California  
Heaven laughs 'cause they all tried to warn us  
They sent me right back from where I came  
My tail between my legs on Broadway

I'll be the biggest star at this fucking karaoke bar  
No use shootin' for the moon, no use chasing waterfalls  
I'm the biggest star at this fucking karaoke bar  
No use shootin' for the moon, no use chasing waterfalls
