

Pure Love

Hayley Williams

Huh

The opposite
The opposite of love is fear
I'm still trying to get (Hm)
Used to how the former feels
'Cause it feels so new
You think you know me
Wait 'till I open up to you

If I want pure love
Must stop acting so tough
(I give a little, you give a little, we get a little, sentimental)
If I want your love
Ooh, got to open up
(I give a little, you give a little, we get a little, sentimental)

A deeper way
A deeper way to understand
To understand the line between
Who you are and who I am, baby
'Cause to let you in (I want your love, I want your love now)
Is true compromise (I want your love, I want your love now)
Not just the friction of our skin

If I want pure love
Must stop acting so tough
(I give a little, you give a little, we get a little, sentimental)
If I want your love
Ooh, got to open up
(I give a little, you give a little, we get a little, experimental)

I guess, I guess (I guess, I guess)
I could, I guess (I could, I guess)
Guess I oughta to clean up these bloody fists if it's alright
And yes, I guess (I guess, I guess)
It's for the best (It's for the best)
Guess you really got to call your own bluff if you want pure love
(If I want your love)

If I want pure love
Must stop acting so tough
(I give a little, you give a little, we get a little, sentimental)
If I want your love
Ooh, got to open up
(I give a little, you give a little, we get a little, sentimental)

If I want your love
(If I want your love)
(I want your love, I want your love
I want your love, I want your love now)
(I want your love, I want your love, I want your love, I want your love now)
(I give a little, you give a little, we give a little, sentimental)
And if I want your love
(If I want your love)
(I want your love, I want your love
I want your love, I want your love now)

(I give a little, you give a little, we give a little, sentimental)
