

Baby, take it easy  
We're startin' somethin' new  
Listen how the heart beats  
It always tells the truth  
Baby, take it easy  
When following a whim  
And listen how the heart beats  
Lying next to him  
(Ah-ah-ah)

Bare feet on the concrete, freckles on your knees  
Searchin' for a bloodstain, bandages are clean  
Baby, take it easy following a whim  
Listen how the heart beats lying next to him

I want to be in love  
To believe in us instead of sabotage  
I want to be in love  
To believe in us instead of sabotage

Baby, take it easy (Ah-ah, ah, ah, ah, ah-ah, ah, ah, ah)  
You're always on the move (Ah-ah, ah, ah, ah, ah-ah, ah, ah, ah)  
Somethin' in the stillness (Ah-ah, ah, ah, ah, ah-ah, ah, ah, ah)  
Gets you to the truth (Ah-ah, ah, ah, ah, ah-ah, ah, ah, ah)  
And I know you took a beatin' (Ah-ah, ah, ah, ah, ah-ah, ah, ah, ah)  
I know it's all a risk (Ah-ah, ah, ah, ah, ah-ah, ah, ah, ah)  
But listen how the heart beats (Ah-ah, ah, ah, ah, ah-ah, ah, ah, ah)  
Lying next to him (Ah-ah, ah, ah, ah, ah-ah, ah, ah, ah)  
(Ah-ah-ah, woo)

Sunshine through the curtain, music in my head  
Still be singing to you long after we're dead

I want to be in love  
To believe in us instead of sabotage  
I want to be in love  
To believe in us instead of sabotage

(Ah-ah)  
(Ah-ah, ah, ah, ah)  
I want to believe in love  
I want to believe in us  
I want to believe in love  
I want to believe in us

I want to be in love  
To believe in us instead of sabotage  
I want to be in love  
To believe in us instead of sabotage  
I want to be in love  
(Bare feet on the concrete, freckles on your knees)  
To believe in us instead of sabotage  
(Searchin' for a bloodstain, bandages are clean)  
I want to be in love  
(Sunshine through the curtain, music in my head)  
To believe in us instead of sabotage  
(Still be singing to you long after we're dead)
