

# Hell's Bells

Hayseed Dixie

I'm a rolling thunder, a pouring rain  
I'm comin' on like a hurricane  
My lightning's flashing across the sky  
You're only young but you're gonna die

Won't take no prisoners, won't spare no lives  
Nobody's putting up a fight  
i got my bell, gonna take you to hell  
gonna get ya, Satan get you

CHORUS:

Hell's Bells  
Yeah, Hell's Bells  
You got me ringin Hell's Bells  
My temperature's high, Hell's Bells

I'll give you black sensations up and down your spine  
If you're into evil you're a friend of mine  
See my white light flashing as I split the night  
'Cause if God is on the left, then I'm stickin' to the right

I won't take no prisoners, won't spare no lives  
Nobody's puttin' up a fight  
Got my bell, gonna you to hell  
Gonna get ya, Satan get you

CHORUS

yeow  
Hell's Bells, satans comin to you  
Hell's Bells, across the sky  
Hell's Bells, We takin you under  
Hell's Bells, Your gunna cry  
Hell's Bells, they're takin' down  
Hell's Bells, underground  
Hell's Bells, gonna split the night  
Hell's Bells, no way to hide, yeah

Ow, ow, ow, ow  
Yeah, that's it  
hello
