

My Best Friend's Girl

Hayseed Dixie

She's always dancin' down the street
She's got the suede blue eyes
Every new boy that she meets
He don't know the real surprise

Here she comes again
When she's dancin' 'neath the starry skies
Here she comes again
When she's dancin' 'neath the starry skies
I kinda like the way, like the way she dips

'Cause she's my best friend's girl
She's my best friend's girl
She used to be mine

You got your nuclear boot
You got your drip dry glove
Yeah, when you bite your lip
It's some reaction to love

Here she comes again
When she's dancin' 'neath the starry skies
Here she comes again
When she's dancin' 'neath the starry skies
I kinda like the way, like the way she dips

She's my best friend's girl
She's my best friend's girl
She used to be mine

Yeah, she's always dancin' down the street
She's got the suede blue eyes
And every new boy that she meets
He don't know the real surprise

Here she comes again
When she's dancin' 'neath the starry skies
Here she comes again
When she's dancin' 'neath the starry skies
I kinda like the way, like the way she dips

She's my best friend's girl
She's my best friend's girl
She used to be mine
Aw, she's so fine

My best friend's girl friend
My best friend's girl friend
My best friend's girl friend
My best friend's girl friend
