

Off My Mind

Hazel English

Got me so afraid
To tell you how I really feel, but
I'm caught in a moment in-between
I keep it all at bay
But underneath I'm hesitating
I'm caught in a moment in-between
I'm caught in a distant dream

If I wait another day
Will I waste, waste away?
I can't get you off my mind

Take away my thoughts, they hold me back
Try to make a move, to take a step
I don't wanna watch my life just pass me by
I can't get you off my mind

The way you're treating me
I know that it's not okay, but
I'm caught in a moment in-between
And every time we talk
I just don't know what to say 'cause
I'm caught in a moment in-between
I'm caught in a distant dream

If I wait another day
Will I waste, waste away?
I can't get you off my mind

Take away my thoughts, they hold me back
Try to make a move, to take a step
I don't wanna watch my life just pass me by

Drift in and out of consciousness
Gotta find a way out of this mess
I don't wanna let my life just pass me by

Ooh
Ooh
Ooh
Ooh
I can't get you off my mind

Take away my thoughts, they hold me back
Try to make a move, to take a step
I don't wanna watch my life just pass me by

Drift in and out of consciousness
Gotta find a way out of this mess
I don't wanna let my life just pass me by
I can't get you off my mind
