

# Blame The Moon

Hazlett

Holes in your pockets watch you lose  
Anything you thought was meant for you  
Daddy asks you if you'll stay  
Doesn't know he's the one who made you feel this way

Think fights are better off outside  
Ten toes in tall grass must feel nice  
Go take a slice there's plenty left  
Gonna need your legs for running west

Lately I don't feel inspired  
Wish I was a better liar  
Maybe that's why I blame the moon

It's too late to be this early  
Heaven knows you tried to hurt me  
Maybe that's why you blame the moon

That's cute your best friend looks like you  
Without the self indulgent attitude  
There's a code, a vault filled with the years I'll waste  
Take a bitter pill without the face

Lately I don't feel inspired  
Wish I was a better liar  
Maybe that's why I blame the moon

It's too late to be this early  
Heaven knows you tried to hurt me  
Maybe that's why you blame the moon
