

mountain of a memory

Hazlett

Call it off
Be alone
I'm the ghost that never made it home

Slow night
Settle down
I'm the feeling you won't think about someday
Someday

Call it off
Be alone
I'm the ghost that never made it home

Slow night
Settle down
I'm the feeling you won't think about someday
Someday

Tie your shoes
On my chest
Moving on cause we did our best

We don't talk
Wait and see
I'm a mountain of a memory
