

## Old Salt

Hazlett

Old salt, bad news  
I'm still here but where are you  
A valley that you came from  
Held on a little too long and  
Old salt I got you

You  
You  
You  
Ooh

Cowboy cut loose  
The day is done, but not for you  
A valley that you came from  
Held on a little too long and  
Old salt I got you

You  
You  
You  
Ooh
