

queen of the season

Hazlett

(Ohh ooh ooh)

(Ohh ooh ooh)

Learn to disappear
Hours south of here
Where space won't work out
Time won't let you down
(Oh-oh-oh-oh-oh)

Wouldn't you love me
If it was easy?
Hate I made it hard
Queen of the season
Born to be leaving
How about me?
How about you
What'd you call it?
(Oh-o, oh-o, oh-o, oh-o)

The church of letting go
Swear I didn't know
Carved our names in wood
Got along but it never felt good

Wouldn't you love me
If it was easy?
Hate I made it hard
Queen of the season
Born to be leaving
How about me?
How about you
What'd you call it?
(Oh-o, oh-o, oh-o, oh-o)
