

I fled to faraway lands  
I couldn't stay  
Hometown off-beat romance  
Waits on the tables I crave

Memories crawling inside  
Too much to handle  
Suncats from these northern skies  
Soothing the shadows we made

We all fear death but we don't live life  
Heavy hearts have a crazy side

Just don't go thinking it's a waste of time  
Just don't go thinking it's a waste of time  
It's all, it's all, it's all  
Just don't go thinking it's a waste of time

Forgive me you forced my hand  
Held by another  
Send all the good vibes you can  
Friends become strangers

We all fear death but we don't live life  
Heavy hearts have a crazy side

Just don't go thinking it's a waste of time  
Just don't go thinking it's a waste of time  
It's all, it's all, it's all  
Just don't go thinking it's a waste of time

Like waves and islands  
Like waves and islands  
We want to fight the tide  
We want to fight the tide

Just don't go thinking it's a waste of time  
Just don't go thinking it's a waste of time  
It's all, it's all, it's all  
Just don't go thinking it's a waste of time
