

# Eye Teeth

He Is Legend

I can't go anywhere  
They can smell it on me  
I can't do anything  
I'm a cavity  
I know you'll grin and bare  
I know you'll show your teeth  
I tend to get a bit obsessive  
I've gotta take 'em home with me  
I'm sick

I wasn't faking  
I really had to take 'em  
It's such a sight to see  
Your pearly whites (Your pearly whites)  
Like precious stars (Like precious stars)  
How did I get so lucky?

Just sick enough  
No accountability, I always go untouched  
Just sick enough  
Not to answer for this crime  
I'll take what's mine

I need your teeth  
I need your teeth  
I need your teeth

I know I shouldn't stare  
Certainly not while you sleep  
I crack the door a hair  
I only needed a peep  
The light, it scared you to death  
Toothless and holding your breath  
You're paralyzed pair of eyes  
Are what I'm coming for next

I wasn't faking  
I really had to take 'em  
It's such a sight to see  
Those pretty eyes (Those pretty eyes)  
Have to be mine (Have to be mine)  
How did I get so lucky?

Just sick enough  
No accountability, I always go untouched  
Just sick enough  
Not to answer for this crime  
I'll take what's mine

I have to admit  
I loved you to pieces  
Loved you to bits

Just sick enough  
No accountability, I always go untouched  
Just sick enough  
Not to answer for this crime

I'll take what's mine  
I'll take what's mine, oh
