

# All I Need

He Is We

Let's talk about romance, walking on the beach  
Love is in the air  
Let's talk about you, me, being all sweet  
Letting down my hair

I don't need a fancy car, or crazy things  
Money or a diamond ring  
What I want is here and free  
Please, boy, give it to me

All I need is someone who will dance with me  
Sweet relief, singing in and out of key  
A boy who doesn't mind the rain, I can tell him everything  
Please believe, this is all I need

All I need, all, all I need  
All I need, all, this is all I need

Let's talk about a first kiss, long and sweet  
Hearts are racing fast  
Let's talk about when you're holding  
Ooh, I'm home at last

I don't need a fancy car, crazy things  
Money or a diamond ring  
What I want is here and free  
Please, boy, give it to me

All I need is someone who will dance with me  
Sweet relief, singing in and out of key  
A boy who doesn't mind the rain, I can tell him everything  
Please believe, this is all I need

Ooh, boy you know that all I want is  
You, gotta know that it's all about what  
You do, not gonna put a price on this  
Money can't buy the way you kiss  
Want my love, listen to this

Ooh, ooh

All I need is someone who will dance with me  
Sweet relief, singing in and out of key

All I need is someone who will dance with me  
Sweet relief, singing in and out of key  
A boy who doesn't mind the rain, I can tell him everything  
Please believe, this is all I need

All I need, all, all I need  
All I need, all, all I need  
All I need, all, all I need  
This is all I need
