

Amazing Grace

He Is We

Never thought in my wildest dreams
That I'd found love and it'd find me
I was blind but now I see
You were worth the wait
And the wondering

Breathe you in nice and slow
Where you are is where I'll go
Where I'll go

And like a child I stand in awe
Just starrng at you, darling
My heart runs wild, you heard my call
Praying you were coming
Amazing grace, you found me

Falling hard fell into place
Catching me in your embrace
Feeling no one can replace
Waking up to amazing grace

And like a child I stand in awe
Just starrng at you, darling
My heart runs wild, you heard my call
Praying you were coming
Amazing grace, you found me

And you know what they say when you stop looking
It finds you, it finds you
A part of me I always knew was missing
It was you, always you...

And like a child I stand in awe
Just starrng at you, darling
My heart runs wild, you heard my call
Praying you were coming
Amazing grace, you found me
