

## Dear Adam

He Is We

I wrote you a letter today  
Nothing crazy, I just wanted to say  
I'm sorry for hurting you  
With things I couldn't say  
And what I didn't do

Oh God I wish I knew  
How to make it better, how to just tell you  
I didn't know, how did you like that  
So I put it all down, damn I miss you bad

I can't pretend  
I don't need my best friend

I miss you  
I truly do  
I need you  
To know that you are always on my mind  
And I'll be by your side

You always believed in me  
Saw all the things that I never could see  
And all I wanted was to pay you back  
For all the late nights of making me laugh

I promise one day you'll see  
Just how much you really mean to me  
Hope I can show you somehow  
You made me the woman that I am now

My melody  
This is harmony

I miss you  
I truly do  
I need you  
To know that you are always on my mind  
And I'll be by your side

If only we could take a bit  
To hug and just get over it  
Like the good old days  
Smoking by your car at night  
Never had to fuss or fight  
Nothing bad to say

I could say sorry a million times  
What would it take to realize

I miss you  
I truly do  
I need you  
To know that you are always on my mind

I miss you  
I truly do  
I need you

To know that you are always on my mind  
And I'll be by your side
