

# Since you been gone

Head East

I get the same old dream  
Same time every night  
Fall to the ground and I wake up

So I get out of bed  
Put on my shoes and in my head  
Thoughts fly back to the breakup  
And these four walls are closing in  
Look at the fix you put me in

Since you been gone  
Since you been gone  
I'm outta my head  
Can't take it

Could I be wrong, but  
Since you been gone  
You cast the spell, so break it  
Do do do do, do do do do  
Can't take it

And in the night I stand  
Beneath the backstreet lights  
I read the words  
That you sent to me

I can take the afternoon  
But night time  
Comes around too soon  
You can't know  
What you mean to me

Your poison letter  
Your telegram  
They go to show  
You don't give a damn

Since you been gone  
Since you been gone  
I'm outta my head  
Can't take it

Could I be wrong, but  
Since you been gone  
You cast the spell, so break it  
Do do do do, do do do do  
Can't take it  
Ah, ah, ah, ah

If you will come back  
Baby, I'm here  
Whenever you want

Since you been gone  
Since you been gone  
I'm outta my head  
Can't take it

Could I be wrong, but  
Since you been gone  
You cast the spell, so break it  
Do do do do, do do do do  
Ever since you been gone

Since you been gone  
Since you been gone  
Do do do do, do do do do  
Ever since you been gone
