

# Crack Brained

Headhunter

Sinful are the faithful  
In a world of fantasy  
It's decensy and charity  
Against this cruel reality

You shall not kill  
You shall not hate  
Principles of... cries  
Looking for the human greed

Crack brained  
Believer, sinner, who's the winner  
Crack brained  
Believer, winner, they are sinners  
Crack brained  
Believer, sinner, who's the winner  
Crack brained  
Believer, winner, they are sinners

Now it's time to realize  
Got to open our eyes  
Did we invent all those lies  
Are we masters of disguise

...year old, prepare to die  
Sacrifice for life  
It's just like suicide  
You'll soon soothe your pride

Crack brained
