

## Destiny

Headhunterz

Travelers on an unending voyage of discovery  
A voyage fueled by desire to know our true calling  
Seeking for timeless wisdom beneath  
The ever changing depths of heaven  
Trapped in confusion  
Armed with melodies to strike our emotions  
Waging the war within  
Until one day  
Sooner or later we see  
This music is our destiny

Sooner or later we see  
This music is our destiny

As we walk through the valley in the shadow of death  
Thy shall fear no evil  
Headhunterz are back

Sooner or later we see  
This music is our destiny
