Emptiness

Headhunterz

This world is an opposite world

This world is an absolute world

This world is a complete world

We have three statements:
Form is emptiness
Emptiness is form
Everything that appears, disappears
This world is an opposite world
No form, no emptiness
If you cut off all thinking
There is no form and no emptiness
This world is an absolute world

Form is form
Emptiness is emptiness
If you cut off all thinking
Your mind is clear like space

Form is form
Emptiness is emptiness
If you cut off all thinking
Your mind is clear like space
This world is a complete world

So, we have three kinds of worlds Which one is correct?
