

There is more to reality than meets a normal eye  
Behind the curtain of everyday consciousness  
Is hidden another unutterably strange mental universe

Behind the curtain of everyday consciousness  
Is hidden another unutterably strange mental universe

There is more to reality than meets a normal eye  
Behind the curtain of everyday consciousness  
Is hidden another unutterably strange mental universe

Those who believe in a value of psychedelic drugs  
See no clear distinction
