

# Takin' It Back

Headhunterz

Now we gonna do this like we used to  
Taking it back to the roots, you know

Repeat it in your mind  
You better understand  
We gonna start a fire  
That wasn't supposed to end  
We taking it back [x3]  
Yeah, we taking it back

We gonna keep it real  
The rest down the drain  
We run melodies  
But you know we ain't playing  
We taking it back [x3]  
Yeah, we taking it back

Yeah

We taking it back  
Come on

Repeat it in your mind  
You better understand  
We gonna start a fire  
That wasn't supposed to end  
We taking it back [x3]  
Yeah, we taking it back

We gonna keep it real  
The rest down the drain  
We run melodies  
But you know we ain't playing  
We taking it back [x3]  
Come on

We taking it back [x3]  
Ha, yeah  
We taking it back [x3]  
Let's go  
We taking it back [x3]  
Ha, yeah  
We ain't playing no games no more
