ANPR

Headie One

(Roddy run it up!)
(X10)
(16-16)

You ever been banged up by the seaside listening to NPR?
Case papers in this tiny desk, not the one from NPR (Uh)
I'm paranoid, who's listening (One), so when me and bro reasoning (One)
I keep whispering like it's ASMR (Shh, shh)
We hate ANPR (Turn up, turn up, turn up)
Took a chase from the gun boys, now they got a shotty in a empty car (Decamp, decamp)
Got a sergeant wanna say my name, tryna do me like Destiny's Child (One)
It's pain when the section's 60, but the gang still wanna step there now (Now)

Gang wanna step there (Turn up), wanna burn their clothes
In the Louis store, where can I find menswear? (Suh, suh, suh)
With the fin cards full and no strings, bought shoes on red carpet at the premiere
I'm out-suited and booted
With some old-school gunners like Bendtner (Turn, turn)
Kway kway pre-COVID, I had my face mask on by the blender
I made a brown twerk like Brenya (Turn, turn, turn)
Made a white do the same like Iggy Azalea
Scales and cling on a table and razors, loads of paraphernalia (Uh)
Bought some trainers, put in some Ps for the G, now I'm feeling like Neymar (One)
No Gucci, I put Gs on G, my social phones on D&D
We ain't never quit 63 and turn them to rock like PnB (Suh, suh, suh)
I was on C wing, now my runners gotta say C on C
Catch you way out outside with bae, make you die for a nyash like Eazy-E (Turn up)

When the gangdem step there, you can't swerve the team (No)
See the hand gesture, now he's got a blurry screen
Attack the beef, why you think we got the SK out and a bag of sweets?
Got the akh with me, Friday I went Jummah with bro, I got akh with me
Actually, got new nine mm's in the factory
Watched them run at us, then we got em with bine that's tactical
Brand new tool, started early, had to go after school (School)
Hand ting in the bushes, I could've got pricked by thorns
Ten-pound petty in the Vespa, suttin's getting hit with corn (Bow)
Focus on my man, didn't even know what the witness saw
Black Cats on, but I'll tell you about the time I walked with the different 4s (Forty)
Tell you when I sold out shows and stores, I've done two different tours
