

## Back To Back

### Headie One

How many times am I gonna need cling film  
First time I see a 36, I stared at the box like I'd been binging  
Come like the budge was famous, the way asked for pictures  
I really fucked up the quality, why did I buy the PM in rizla  
You ever gone up suh done a re in a bruck down insignia  
Then stuffed two smokes in that same insignia, I tryna turn the oppblock Syria  
Told me aunt I'll talk to the Ggz Nd tellin stop drilling it  
I had to lie to aunty terrier

Made quarter mill off drill  
Still I'll go drill a paigon  
No reconciliation  
Fuck all of my opps personal  
Just chopped the crop get pulled by cops I'll tell em it personal  
And I was tryna off white before I knew about Virgil  
Pray that the gang don't catch you  
Mashed so much work on da opp block  
When I die, they gotta build a statue  
Did it bait dat day was a mad move  
I cheffed him, cuda left him  
I never had to, but I had to  
I keep it 1 hunna niggas know my angle never been acute

Two hand tings their sisters one a bit older Serena and Venus  
Say a prayer then glide I took them risks I believed in Jesus  
Two pacs like Ferb and Phineas, I mean Phineas Ferb  
Me and bro see a opp then he chinged it, I'm surprised his wrist isn't hurt  
Bro did slap in reverse, but there's times he didn't reverse  
He slapped in drive when he mount that pavement  
That's gangnem drill' in out twelve  
Or hop out the ride and shave man's head back Fabian Delph  
Then I pray to the Lord that I don't end up in a cell

I never used to smoke like that but since them opps turnt pack I'm a stoner  
If you add up the works dat gang did that's 100 stabs like Aidonia  
Did road with a mask and gloves way before man knew about corona  
To get my wap I text my yat like Dexta Daps come bring it to the owner  
Same girls that got their heart broken went on Facebook and switched their status  
Move like they won't free up the cooch cos they're Insta famous  
My niggas just re up on food and bruk it down no Mr Vegas  
Grip the stainless, spill man's juice like I'm mixing chasers

Spill man's juice like chaser mix that  
Hop out in my air force like digdat  
Remember when we done it on ridgeback  
Wheels still rolling hop off ching that  
Bro slapped off on the oppblock  
Lock swear it nearly gave him whiplash  
Luckily, he locked them elbows  
He wasn't really tryna feel that kickback  
Ring trap out the bando no giff gaff  
Young boy ain't tryna take a break no KitKat  
Interview room he ain't doing no chitchat  
Ever had jakes tryna video link that  
Foul play in the field

We ain't even playing with shin pads  
Lil bro scored on a opp  
Now the gang just sipping on liqlaq

My man ran when he's friend got got  
All now, he ain't rid for his member  
Anytime da gang go attacking  
Opps full back like Timothy Mensah  
I asked bro what happened that day  
He said forgot it like he didn't remember  
44 work like a DJ  
Load that up and spin it like bempah  
Anytime me and my bro step  
That's at least one swammy on us  
2 in the dots 3 man in the whip with bally and gloves  
Phoned my plug for 4 and a half he gave me 5 flang me a touch  
Told him bring me the pack next day like Amazon does
