Finer Things

Headie One

JAE5

They say that talk is way cheaper than the silence is
So the new gun dem come with silencer (Uh-uh)
They investigate our cases, tryna tie us in (Uh)
That nigga lacked respect, he had to die for it
I ain't dwellin' on my losses 'cause I like to win
Pedal bike cycling, my trousers need a diamond (Uh-uh-uh)
They're sendin' undercover, wrapped and wirin'
They tryna bring us down, we onto finer things

We got our own machines no we don't borrow
Bro drawed it out the Polo
Said he wishes that hammer was a Smith and not Apollo (Turn, turn)
My next bro caught a burden, weren't his fault though
He woulda been free if his over jacket didn't have a logo
Summer in the city in my condo
And all the waps I bought, I put on foenem, I coulda bought a foreign (Suh-suh)
Had options first, not them, we lost them
We went back again and then we bought them
The opps dem, we shot them
There's penthouses, top floors and top tens
Funny how them jail grams, they went out for five-0 and four-0 (Turn, turn, turn up)
Now we bring this nina out, this for tour
Uptown with the gangnem, my single just went platinum (Uh-uh)

I put my life on the line for the mandem
I went to jail and felt like I was abandoned
I spent time in, so now I need my everything timeless (Turn up, turn up, turn, turn)

They say that talk is way cheaper than the silence is (One)
So the new gun dem come with silencer (Shh, shh)
They investigate our cases, tryna tie us in (Uh)
That nigga lacked respect, he had to die for it
I ain't dwellin' on my losses 'cause I like to win
Pedal bike cycling, my trousers need a diamond (Suh-suh-suh)
They're sendin' undercover, wrapped and wirin'
They tryna bring us down, we onto finer things

Yo, I can never change my past 'cause that will forever live with me
Significant role for that nina [?], the judge tried to finish me (Uh)
I had the fours with the big nose, come like a mini-me
And a tray with the rubber grip for comfortability (Turn, turn, turn up)
CEO, now I'm legitimate
My probation don't know the difference, I tried, they won't let me live (One)
I was flat on my face, look what I made of it (Turn)
Uh, I took a mile, they only gave an inch (Turn, turn, turn, turn up)
I'm seein' changes, Prada shades on, they so dark I made a night shift out a day shift
And still I see my bracelets
All this water, I leave puddles on the pavements (Turn)

I put my life on the line for the mandem (Turn, turn, turn, turn, uh)

I went to jail and felt like I was abandoned
I spent time in, so now I need my everyting timeless (Turn up, turn up, turn up)

They say that talk is way cheaper than the silence is (One)
So the new gun dem come with silencer (Shh, shh)
They investigate our cases, tryna tie us in (Tie us)
That nigga lacked respect, he had to die for it
I ain't dwellin' on my losses 'cause I like to win
Pedal bike cycling, my trousers need a diamond (Suh-suh-suh)
They're sendin' undercover, wrapped and wirin'
