Headie One

Soon as I get home

But all I do
Is think about the way you make
But all I do
Is think about the way you make me feel
The way you make me feel, feel
The way you make me feel
'Cause baby, this love is so

My shawty don't want me to jugg, baby, I'm doing wrong, I know
I'm doing some things in the streets, so the things that you hear, I know yo
u can't condone
Remember them days I got spun on basic and you used to ask why I can't call
Didn't I tell you I'm on bore, as soon as I get home
Remember that time feds bootin' off the door and they was talkin' about reca
ll
Didn't I tell you I'd touch and give you it all, soon as I get home
It's been a long day on road, I kick off my shoes when I get home
I want nuttin' but you when I get home
Shawty get in a tizzy when she's spoiled
Got all of the baddest of B's on me but for you, I'm loyal
Step looking all king and queen, we could do up royal
That body there a blessing like you rubbed it down with anointed oil
You don't know what it's like to sleep in a T house 'round crack pipes and f
oil
But you spent everyday sittin' tight at this dinner with a paranoia
And for that you deserve the throne
Light the room up, I know you like to set the tone
Pull off that robe, wait patiently, daddy soon come home

But all I do (Soon as I get home)
Is think about the way you make
But all I do (Soon as I get home)
Is think about the way you make me feel
I want nuttin' but you when I get home
The way you make me feel, feel
The way you make me feel
'Cause baby, this love is so real

Me and shawty both from the hood so ain't it only right we glow
I know that you're in for the long run but these hoes, they just come and go
All the times I come home to you when I come from O
I already made you know what ten racks looks likes, Scottish notes
We used to be on the phone for hours and all you would hear is Scottish folk
s
Now we're in Europe making a pot like a [?]
You used to send me letters in the post, now look at fans, tell me I'm the G
OAT
Remember when you cried in the visit hall, now we can casually visit Rome
Or Phuket
We can act a fool in a IV store now, fuck it
Cah I rememeber when I was locked and I had nuttin'
How many times did they put me in court and I had to face that judgement
Remember that time when I pulled up at yours when the gun boys had me cuttin
,
You do road in Prada runners, and you still keep it hundred

You can step neat in heels, I just might let you match the cufflinks
I know you want me home and ain't you forget, I'm coming
You always wanna fall asleep in my designer jumpers

But all I do (Soon as I get home)
Is think about the way you make
But all I do (Soon as I get home)
Is think about the way you make me feel
I want nuttin' but you when I get home
The way you make me feel, feel
The way you make me feel
'Cause baby, this love is so real
I want nuttin' but you when I get home

'Cause baby, this love is so real
'Cause baby, this love is so real
'Cause baby, this love is so real
'Cause baby, this love is so real
