Indecisive Interlude

Headie One

Welcome to your EE voicemail
You have six new messages
First new message received Tuesday, July 6th at 5:03 PM
I think about you all the time, stay in my bubble at the same t
ime
Go treat you like a ho, but then I cuff you at the same time
You know I love to fuck you, but then fuck you at the same time
I don't really trust you, but I trust you at the same time
Had a dream that you went out there with that pussy, and it ain
't right
But, what I don't know will never hurt me, so just lie to me
I want you, but, I don't want you, it's my constant indecisiven
ess
Sometimes, I feel I need a billion of a side bitches
I hate you, I love you, the same time
Want peace and then argue the same time
Want nothing but money, the same time
Put nothing above you, the same time
Darling, I love you, when I see you I don't ever answer your Fa
cetime
I don't don't want you to feel out of place, I can't have you c
omfortable, same time
I [?], the same time
You want me to, [?] my playtime
All of these things that you hear through the grapevine
Got teeth think I'm a K-9
Will you stand by my side, will you ride with me
Through all my constant indecisiveness
Yeah, I know you try
I know you try with me
To return the call at your normal call rate, press #
To listen to the message again, press 1
To save the message, press 2
To delete the message, press 3
