What can I say?
Caught him live on the mains and I couldn't let him go, so I go
t him down bait
Any waps on sale, man cop them, now I got options, dots or the
tre
When it's beef, man grab it and fill it but I ain't chopping no
steak
Bro just asked if I got it, must've been rhetorically, kiss my
teeth, obviously
If you see me with the Gucci bag, that's more than a pocket roc
ket on me
I got bro like he got me, so a problem with him, that's a probl
em with me
If I get the drop then it's peak, no Pick 'n Mix like we shoppi
ng for sweets

You ain't ever took so much L's that you ain't made no profit i
n weeks
Still spend change, stay copping these sweets, we got more than
Quality Street
Still pull up on a opp block, they don't wanna know what we got
in this Jeep
Last time must've thought it was banter on me, so two got-
got in a week
My bro telling me I got too much to lose, he don't want me to g
lide no more
All of them peddle bikes shotguns turned into auto sliding door
s
Fell in love with this.44 long, that's the only time I wife the
se hoes
Like two and a blue in a Pyrex bowl, man whip it like Silentó

How many man been chased, caught, cheffed, shot, bloodied?
Bare Ribena on the opp block, spill mans juice then the whole p
lace flooded
Like the bottom of my shoes are red and these ones ain't even s
tudded
Get man down and forget about it, RV don't like to hold grudges
When shh got away I was gutted cah all he does is give verbal
Two shanks and a red bandana like Raphael in Ninja Turtles
Ching, splash, poke a man, try do that nigga like Squirtle
Govs put me on basic and took my TV, felt like my cell got burg
led

They act like they don't know how black blade taste, they know
Them 9 boys love to start singing, they do it like Beyoncé sung
Halo
I spent most of my life in the bando, opp block, feds came when
I ain't home
Still gotta make sure there's no evidence on this phone
I don't know nuttin' 'bout weave, I'm tryna put inches in his d
ome
Them man don't score, they just hit the post, them man shit, th
ey're internet trolls
Put my Rambo through grub and opps, did it on both
Got nicked for intent to supply and I still went and did it on
soch'
