### Headie One

Move out the way, let me get through through  
Bad b said she got bad habits, I told her I got a few too  
And she always asking I doing this too soon  
I live my life in the fast lane, I got a skr it and vroom vroom  
Move out the way, let me get through through  
Bad b said she got bad habits, I told her I got a few too  
And she always asking I doing this too soon

All my niggas stick together like a onesie  
I got these pigs moving like bitches in the ends, all they wanna do is cuff me  
You know my shit go down in country  
I bruck that 4 and a half in the bando, over and over until they should be c omfy  
And I heard my opps still tryna touch me  
Cause I got them like a contract, they be getting touched down monthly  
See Headie One keep up with fuckery  
They say my life short like Tuggzy  
It seem like they hate me or love me  
See me I don't know who's who  
It come like that African dish, all of them niggas are fufu  
5 5 for a bird and I'm not talking bout flu  
I'm on the opp block with the crew  
I'm talking the 9 or the 2 2  
We invested in skengs before we invested in new shoes  
The bando is all that I know  
The bando is all that I know  
Years in jail, trust me I rid a few [?]  
They think I'm touched while they did a new tune  
But I was wrapped up before the full moon  
Under pressure I keep it cool cool  
They ain't put no work in the field, they only do this on YouTube  
That's till we get round and shoot you

Move out the way, let me get through through  
Bad b said she got bad habits, I told her I got a few too  
And she always asking I doing this too soon  
I live my life in the fast lane, I got a skr it and vroom vroom

Bad b looking healthy, wanna come niz and take selfies  
Used to go Wood Green nandos, now I eat lobster in Chelsea  
Jugga batty big from the squats so you know that she's sporty like Mel C  
Plus she a posh spice, she don't know I shot white [?]  
If she knew I was trapping she might kick me to the curb  
So she can never find out that I'm whipping up that work  
I'll be stressed if she round me and my niggas say a word  
All we talk about is money that we're getting from these birds  
We drilling

Got guns, got drugs, got women  
Scored so many points on the opps, this shit don't stop we winning  
OFB soon come back, last ones left in prison  
Free Dab that's bro, always on [?] that nigga don't listen
