## Headie One

I found  
Where's your question?  
I found  
Purposeful  
Purposeful  
Purposeful  
Purposeful  
I found  
Where's your question?  
I found  
You're purposeful  
You're purposeful  
Purposeful  
Purposeful (Yeah, ayy)

Them say make I swipe, force me to pay (Why?)  
Me wey I don lay down my life for this game?  
Falling for the knife, omo, this blade  
The thing don the poke out like say na D-Day  
Me wey get the mind, me wey get the drive  
Nothing for this guy go fit drive me insane  
Sweet pain, call Omah Lay  
I can take your kele without using a stage  
Headie One be like person wey no go like toy with hin brain  
Point and kill, where dem dey?  
Carry my cruze, wan display  
It's okay to show my cape  
No replay, pave the way  
Odumodu na you dey reign  
Chai, Naija boy don come again  
Pride, e dey for my blood, no bargain  
Kai, nothing can ever be the same  
My haters, dey choke for their grave  
'Cause my mummy don dey vouch for my way, she dey pray

I found  
Where's your question?  
I found  
You're purposeful  
You're purposeful  
Purposeful  
Purposeful (Turn, turn, turn, turn)

I'm playin' diamonds, I'm playin' spades (Yeah)  
I see the sirens, still run away (Yeah)  
Jungle with pythons, so many snakes  
Poisonous I am, you can die here today (Bap, bap, bap)  
My Prada stay nylon, opps, they still hidin'  
They know that they not the Messiah like they Byron  
Yeah, Gabriel hand tings to put them away  
We made a union, I feel like Dwyane Wade  
They think that I'm a hooligan 'cause I'm with the shooters them (One)  
Dripped out this water, got me feelin' like I'm born again (One)  
Still I go to war with them, feelin' like Napoleon  
Gang load of clips in the dark like it's odium  
Gotta talk my shit, I'm in my mode, no imodium  
'Cause I had to get it out the mud like petroleum (Yeah)

Prayin' that I'll never see this Pyrex bowl again  
'Cause I had to fill it with bicarbonate sodium (One)

I found  
Where's your question?  
I found  
You're purposeful  
You're purposeful  
Purposeful  
Purposeful  
I found  
Where's your question?  
I found  
Purposeful  
Purposeful
