

## Too Loyal...

Headie One

"As real as I can put it  
Jealousy is real, and loyalty is rare  
It's crazy how you can be there for everybody  
But when you need somebody, nobody seems to be there  
You know, fake people don't surprise me anymore  
Loyal people do"

Is there such a thing as bein' way too loyal?  
(Quincy Tellem)

Coulda caught me a bird for a war I ain't started (uh)  
But I found myself involved (turn, turn)  
Is there such a thing as bein' way too loyal?  
Touch road and I grew some roses  
Got straight out the mud of the soil (turn, turn)  
Is there such a thing as bein' way too loyal?  
It was eight racks a show  
I was still re'ing, whipped up for bro  
Is there such a thing as bein' way too loyal?  
Steady and slow always wins the race  
I turned down million pounds and more (money)  
Is there such a thing as bein' way too loyal?

I'm still grateful (turn, turn)  
I'm still screaming, "Money ain't a thing!" it's a mindset  
I signed for peanuts to my label (ugh)  
'Cause I come up from nothing  
And now it's just Gucci cufflinks (turn up, turn up)  
They said that the dough won't change you  
But if you get stuck  
Do it fifty racks in cash then the jets can't touch you (real talk)  
I signed my deal on a Monday (One)  
Tuesday I blew some money (One)  
Wednesday I patterned up pops  
I'm feeling like I'm blessed by God and mumsy (one)  
Shutdown my show on a Thursday  
Friday, I had it comped out from early (one)  
Uh, but the opps want clout more than they wanna hurt me  
It's still losses and winnings  
All the fans wanna see is drillers  
They don't want me living, they want me existin'  
You know how it gets in prison  
Twenty-four hours is a drive-by shootin'  
I call that social distance  
Uh, and they wanna blame me for all the killings

Coulda caught me a bird for a war I ain't started (uh)  
But I found myself involved (turn, turn)  
Is there such a thing as bein' way too loyal?  
Touch road and I grew some roses

Is there such a thing as bein' way too loyal?

Is there such a thing as bein' way too loyal?  
My family turned funny, he ain't got morals  
I told 'em if he link up with the oppers  
Count me out, our relation spoiled (uh)  
I still say "hello" to auntie (turn, turn)  
We was at them old school hood parties  
We would sip sip a Supermalt  
But now if you link up we dish out smoke  
But that ain't my fault, I was mindin' my business up in O (One)  
I had eighteen zeds in the Addison Lee same time as notes  
Knots all in my Amiri jeans, my Burberry tee ain't match the coat  
Coat is a trench, so I'm comin' for the trenches  
Somebody told me I'm jugglin' both  
I coulda caught me a twelve if I drilled it  
With my life at risk, oh no (money)  
I got a hood to inspire, and a family to feed, I call that growth (One)  
I got nothin' to prove (one)  
But I got it all to lose  
When I go die, don't call me a legend  
Like Prince Tutankhamun

Coulda caught me a bird for a war I ain't started (uh)  
But I found myself involved (turn, turn)
