

## Cant Slow Down

Heart Attack Man

Always in the back of my head  
Don't go anywhere before I get back home  
I'm scared that I'll miss everything

I can't slow down  
I'm sorry that I haven't called in days, it's been  
One thing after another

When I said "goodbye" I meant I'll see you when I'm home  
It's never felt so long  
No matter how hard I try

I can't slow down  
I'm sorry that I haven't called in days, it's been  
One thing after another  
Hold my breath and hope that nothing changes  
I've been swallowing a fear that's never ending

Time marching on without me  
Just don't go anywhere  
I won't forgive myself if I don't see you again

Wasting time away

I can't slow down  
I'm sorry that I haven't called in days, it's been  
One thing after another  
Hold my breath and hope that nothing changes  
I've been swallowing a fear that's never ending
