

I'll See You There

Heart Attack Man

Well if it isn't Mr. Perfect From A Distance
Never fucked up, only made the right decisions
Mr. Looking Back With 20/20 Vision
The greatest story ever told, and everybody listened

But it was fiction

If there's a hell, I'll see you there
Who really knows?
Who even cares?
I've surely botched my chance at Heaven beyond repair
If I die and fire's on the other side
I'll see you there

I'll see you there

You had me fooled, and everyone, I'd assumed
Point your finger at everyone on earth but you
You knew the day was coming, but didn't know how soon

Turns out at the ending we might all be pretending

If there's a hell, I'll see you there
Who really knows?
Who even cares?
I've surely botched my chance at Heaven beyond repair
If I die and fire's on the other side
I'll see you there

I'll see you there
I'll see you there
I'll see you there
I'll see you there
