

See You On The Other Side

Heart Attack Man

Nice to know you
See you later, I guess
Got a feeling
Hangin' out in my chest
Maybe next time
We could do things different
Hold you closer
Just another minute

'Cause I don't wanna have to miss a thing

When it's over
I wanna know it's over
'Cause I keep waking up again and again
And it's all over

Left me waiting
Looking for a reason
In the distance
Changing like the season
I'm reminded
How I feel your absence
Hate the feeling
Hate the way it happened

And I don't wanna have to feel a thing

When it's over
I wanna know it's over
'Cause I keep waking up again and again
And it's all over

I was unaware
This was the last time
I'll see you on the other side
If I had a chance to say goodbye
I'd tell you everything
Just wake me up before it's over

I wanna know it's over
'Cause I keep waking up again and again
And it's all over
