

Thoughtz & Prayerz

Heart Attack Man

Thoughts and prayers
Thoughts and prayers
No one cares
Thoughts and prayers
Thoughts and prayers
No one cares

Make you suffer
Watch you bleed
Front page news
Immortalize me

Thoughts and prayers
Thoughts and prayers
No one cares
Thoughts and prayers
Thoughts and prayers
No one cares

Slipped through the cracks
Fell through the system
Beg for your fucking life
No one listens

Thoughts and prayers
Thoughts and prayers
No one cares
Thoughts and prayers
Thoughts and prayers
No one cares

This is deeper than hatred
This is thicker than blood
This is deeper than hatred
Hatred
Hatred

Thoughts and prayers
Thoughts and prayers
No one cares
Thoughts and prayers
Thoughts and prayers
No one cares

Thoughts and prayers
Thoughts and prayers
No one cares
Thoughts and prayers
Thoughts and prayers
No one fucking cares!

I hate you and I'll make you fucking pay
Piss on your grave
Fuck yourself!
